REQUEST FOR APPROVAL OF DRAWING AMENDMENT

Sir:

The Applicant respectfully requests approval of the amendments to Figures 3, 4, 6-9, and 11 as depicted in the accompanying red line versions of Figures 3, 4, 6-9, and 11. The proposed changes correct typographical matter, add reference numerals that are found in the specification but not the drawings as originally filed, or modify the original labels to ensure that each is clear. No new matter is introduced.

Specifically, in Figure 3, the label 200 is deleted to prevent confusion with the use of label 200 in Figure 2. In Figure 4, the added labels are described in the application on page 11, lines 1-6. In Figure 6, the added labels are described in the application on page 8, line 28, page 11, lines 7-16, and page 12, lines 12-15. In Figure 7, the added labels and change of the text "PLAN DATA" to "PLAN OBJECTS" are described in the application on page 13, lines 1-6 and page 14, lines 8-26. In Figures 8, 9, and 11, the labels are modified to prevent confusion with similar labels on the drawings as originally filed. Figure 8 also corrects two typographical errors.

No fee is believed to be due in connection with this paper. However, during the entire pendency of this application the Commissioner is hereby authorized to charge any fee that may become due, and to credit any overpayment, to our Deposit Account No. 50-1302.

Please address any questions or correspondence to the undersigned.
